

Seafood

The snow crab leg markets continue to trade well above the previous year levels due mostly to the sharply lower snow crab fishing quotas this year. The Alaskan Bering Sea snow crab fishing this fall is likely to do little to help supplies. Expensive snow crab prices may endure.

Product Description	Market Trend	Supplies	Price vs. Last Year
Shrimp (16/20) Frozen	Increasing	Good	Higher
Shrimp (61/70) Frozen	Increasing	Good	Higher
Shrimp, Tiger (26/30) Frozen	Increasing	Good	Higher
