Farmland by Smithfield Rib Company Skinless Meaty Loin Back Ribs, 2.75 Pound Racks, 12 Racks per Case, Frozen

Farmland by Smithfield Chop Shop offers chops with the quality and taste that will bring your customers back again and again. Cut from corn-fed, Midwestern hogs, our chops are cut from lean pork and trimmed to perfection for consistency and amazing taste, letting you serve your guests with pride.

Gold Medal – Farmland by Smithfield Gold Medal cuts represent the very best, top-of-the-line, center cut chops that offer more, delicious meat, and less bone. Gold Medal Chops are guaranteed to have no more than 3 ¼ inch scribe, and have the chine bone clipped, allowing you to have less waste, better portion control, and greater profits.

Silver Medal – Farmland by Smithfield Silver Medal Chops are also center-cut, but have slightly more bone left on to provide a more economical option. The scribe can be up to ¼ inch, and the chine bone is left on.

For great ribs, your best choice is Farmland by Smithfield, it's where greatness begins. Our ribs are hand trimmed, and squared off at the ends, with the brisket bone, skirt meat, and excess fat removed so you're left with nothing but pure goodness. Our strict specifications mandate a minimum of 12 ribs per slab—we never use ends and pieces to make case weight—giving you superior portion and cost control.
