## Storage/Shelf Life

540 days @ 41°F

## Packaging Qty

6, #10

## Piece Count

Approximately 288 servings per container

## Product Benefits

- Cooked Before Canning. Process provides superior flavor, texture and appearance. Harsh gases are released before canning. Cooking time is 15 minutes; no tinny or canned flavor. Superior steam table holding time of 8 hrs.
- Ready to serve. Minimal labor - no mixing or thawing. Guaranteed yield. Consistent quality.
- Growing trend in country style cooking. Scratch quality that meets customer demand and a growing food trend.

## Preparation

HEAT contents of #10 can in heavy saucepan, stirring frequently, over medium heat 10-12 minutes (until serving temperature of 165°F is reached).

*Serving  
Suggestions:*

Serve 2 to 4 fluid ounces over warm biscuits, cornbread or open-faced breakfast sandwiches.
