## Product Benefits

Rosarita starts with only premium grade whole pinto and pink beans - no split or broken pieces. These are slowly cooked, then simmered and seasoned. Finally they are lightly mashed to produce a natural, sweet flavor with an exceptional texture and high percentage of moist whole beans.

- Consistent high quality, outstanding flavor and exceptional texture
- Optimal color and moisture
- A unique, naturally sweet flavor
- Savings in labor and energy costs
- A cost effective alternative side dish for many ethnic and non-ethnic meals

## Preparation

Heat in a skillet over low heat. Add additional shortening or top with shredded cheese if desired.

## *Serving Suggestions:*

As a side dish, alternative to potatoes or rice, topping for tostadas or nachos, base for Mexican salad/Mexican pizza/bean soup, filling for chimichangas, enchiladas, burritos, tacos, dip for tortilla chips or crackers, or as a base for meat-free entrees.
