

Fancy Mixed Vegetables

Veg-All Vegetable Blends are carefully processed and packed to preserve natural flavor and texture. They're blended for eye appeal and taste variety - because these are America's favorites, brought to you by America's leading supplier of canned vegetables. Mixed Vegetables bring a variety of garden-fresh vegetables together into a versatile menu standout. They are always delicious, nutritious, low in calories, and fat free.

Vendor Item Code
53020

Dilgard #
N93155

INGREDIENTS

Peas, carrots, corn, beans

Pack/Size

6, 10 lb

Storage/Shelf Life

Dry

Serving Suggestions:

The product's quality makes it a perfect choice as a stand-alone side dish, adding taste, texture, and color to entrees of every kind. Mixed Vegetables take their place in many of your favorite casserole recipes too. Combined with savory chicken stock, they make excellent - and easy - soups, like Vegetable Chowder.
