

Dilgard Produce

PRODUCT DESCRIPTION

Onions, Red Jumbo

Pk/Size

1, 25 lb

Dilgard #

P00189

Red Onion Facts:

Red onions are available year-round. Good-quality red onions will be firm, free of blemishes or mold spots and have even colored, paper-dry skin. Some feel that sweeter onions will be flat-shaped from stem to root-end, not round. Store onions in a dry, dark, well-ventilated place; not in the refrigerator. Avoid product that is soft, wet-skinned, bruised, has dark blemishes or spots of mold.
